TOURISM TALKS

HELP US GIVE BACK TO OUR COMMUNITY

Show us how you make Revelstoke a better place. Participate in our Community Contributors campaign by sharing a photo or video that showcases your positive contribution to the community or the environment. Capture yourself or a friend volunteering for a local initiative, picking up trash, helping a community member in need, or engaging in environmental conservation activities.

Photo: Chris Istace

Each entry received will generate a \$100 donation to Community Connections, a local organization dedicated to enhancing the lives of community members. In addition, all eligible entries will be entered into a draw for a chance to win a 2023/24 season's pass to Revelstoke Mountain Resort, generously donated by the resort.

To enter the campaign, participants need to post their photo or video to their feed or reel on a public Instagram or TikTok account. When sharing their content, they must include a description of how they are making a positive contribution to the community and use the tags @revelstoke, #TheRealStoke, and #SustainTheStoke. Individuals who wish to participate without a social media account can upload content on our website. By entering the contest, participants grant Tourism Revelstoke permission to share their content through various channels, including social media and our website.

This donation will help support the vital services provided by the organization. This campaign supports the priorities identified in our recent Revelstoke 2073 resident survey and recognizes the importance of critical non-profit organizations that support our residents and community wellbeing. Learn more or submit your photo on our website.
